Privacy Policy

VRS Trucking, LLC ("VRS"), its parents affiliates, divisions, and/or subsidiary ("Company") recognizes the importance of protecting the privacy of your personal information. Personal information includes all of your personal and financial information that you provide to VRS. VRS is sensitive to your privacy rights and interests and believes that the protection of your personal information is one of VRS's significant responsibilities. To this end, the policies outlined below describe VRS's policies related to protecting your privacy.

Privacy Laws: The information transmitted through this Website is governed by several Federal and state laws, including Title V of the Gramm-Leach Biley Act (15 U.S.C. 6810 et seq) and the Federal Fair Credit Reporting Act (15 U.S.C. 1681(b)) as amended by the Consumer Credit Reporting Reform Act of 1996, and as amended by the Fair and Accurate Credit Transactions Act of 2003 (FACT Act), hereinafter called the "FCRA" The FCRA and GLBA requires VRS to implement a privacy policy and prohibits it from disclosing non-public information, personal identifiable consumer information or consumer credit information to non-affiliated third-parties except in certain limited situations and as otherwise set forth within this Privacy Policy. In carrying out its legal responsibilities, VRS enters into contracts with its service providers, vendors and affiliates to ensure they will not disclose or use this information other than to carry out the purpose for which it was disclosed.

Use, Collection And Retention of Customer Information: VRS collects, retains, and uses information about its customers as required by law. VRS may use customer information collected at its sole discretion to administer VRS to provide the highest level of service to our clients. VRS retains information no longer than necessary to meet such objectives. All information voluntarily submitted becomes the property of VRS, with such submission acknowledging and consenting to VRS authority to use, retain and/or provide customer's name, address or other information for advertising, marketing or promotional purposes without further consideration, unless otherwise prohibited by law. VRS customers who do not wish to have their information used for advertising, marketing or promotional purposes may opt out by informing VRS in advance.

Maintenance Of Accurate Information: Company has established procedures so that its customer's personal identifying and financial information is accurate, current and complete within reasonable industry standards. Any request to correct inaccurate information will be responded in a timely manner.

Limiting Employee Access To Information: All VRS employees having access to customer information undergo training regarding the importance of customer privacy and confidentiality. Only those employees having a legitimate need

for knowing or accessing customer's personal information will have access to such information.

Protection Of Information Via Established Security Procedures: Company maintains rigorous standards and procedures regarding unauthorized access to customer information.

Restrictions On Disclosure Of Customer Account Information: Company provides information about customer accounts or other customer information to third-parties only when: 1) the information is provided to help complete a customer initiated transaction; 2) the customer requests and/or consents to VRS communication to a third-party; 3) the disclosure is required and/or allowed by law; 4) it is necessary to process transactions and/or provide services.

Maintaining Customer Privacy In Relationships With Third-Parties: If it is necessary to provide personal identifying, financial or other information to a third-party, VRS shall insist that the third-party adhere to similar privacy policies and procedures as contained herein in order to ensure that such information remains confidential.

Disclosure Of Privacy Policies To Customers: VRS customers have a right to know what information is kept about them and how the information is used. Customers also have a right to have any inaccurate or outdated information corrected or removed from VRS files.

Security Issues: VRS customers have a right under this policy to address security issues directly with VRS, and have complaints promptly handled, with notice of any findings and actions taken to resolve any such issues.
